

## ***“SAFE PLACE” DIRECTORY***

*A safe place is a place that identifies a supportive person who can serve as an ally for a GLBT (gay, lesbian, bisexual or transgender) person allowing for the development of a positive sense of self, a sense of belonging, and the ability to cope with bias.*

*Safe places increase the visible presence of student and adult allies who can help to shape a community culture that is accepting of all people, regardless of sexual orientation, gender identity/expression, or any other difference.*
